

# Washington County Fair Tractor Pull

## General Rules

1. Scale on grounds. Tractors must weigh for each class.
2. Drawbars must be solid and not exceed 20-inches in height and not closer than 18-inches for center axle.
3. If tractor stops before 100 feet mark, it may re-pull once at sled operator's discretion.
4. All tractors must start with a tight chain.
5. If a tractor goes **out of bounds**, it will result in **DISQUALIFICATION**.
6. **NO** consumption of chemical or intoxicating substances in the pit area.
7. **Unsportsman-like** conduct will result in **DISQUALIFICATION**.
8. Judges' discretion will be used in all disqualifications. Judges' decisions are FINAL.
9. All pullers pull at their own risk and will be required to sign a "Hold Harmless" agreement stating such.
10. All tractors must be lined-up one class before.
11. Everyone must cross scale.
12. All pullers and pit spectators must wear long pants and shoes.
13. Only two (2) hooks per tractor maximum.
14. Floating finish.

The 2011 Tractor Pull is put on by Championship Pulling Series. For further information, please contact [www.championshippingseries.com](http://www.championshippingseries.com).
