Contract/Applications:

Contract/Application forms are emailed, or mailed to those who don't have email, to arrive by January 15. (Notify WCF of any address changes during the year) Forms are considered a contract for returning vendors and an application for space from new vendors.

To reserve/request space, the forms must be completed, signed and returned with required documentation and fees. (Insurance information must be included. Actual *Certificate of Insurance* may come under separate cover by July 15th) When the contract/application is received and approved, a confirmation card is sent to the exhibitor. If the application is not accepted for 2010, the fees (not the non-refundable deposit) will be returned and the application will be kept on file.

Renewal Policy

In order to attract and maintain high-quality exhibitors, the WCF will review all exhibitors annually. Participants from the prior year's fair are offered the opportunity to renew their space rental contracts based on this evaluation. The WCF reserves the right to refuse to renew any space rental contract when by its discretion such action is in the best interest of the event and its patrons.

Commercial Exhibit and Concession contract renewals are made on the basis of a renewal for the same purpose, products and ownership as in prior year. Ground or space alterations or other changes may make it necessary to eliminate certain previously available space from one year to the next. In such instances, the WCF reserves the right to offer substitute locations.

The WCF reserves the right to not renew any space rental contract where the exhibitor has violated any regulations of the event or any local state or federal law.

Renewal contracts must be returned with deposit by March 1, 2010 to guarantee renewal. Remaining balance needs to be paid in full by May 1. Request to change locations or products must be noted on the contract but are subject to approval. Space(s) not renewed by the deadline will be released and offered to "new request" deemed appropriate for an available space.

Product Approval

Exhibitors and Concessionaires must submit a list of all items to be sold, displayed, advertised, promoted or demonstrated on their contract/application. Any item not authorized per contract is subject to removal at the WCF's discretion. All items must be appropriate to the family atmosphere of the event. If any item is found to be inappropriate it will be removed
